REMARKS

Claims 1 to 14 and 16 to 19 are in the application. Allowability of former claim 15 is respectfully noted. The content of claim 15 has been added to claim 1, its parent claim, and should make claim 1 allowable.

Reconsideration is respectfully requested of the rejection of claims 1 to 20. Claims 15 and claim 20 have been cancelled. Claim 1 has been amended to include the content of claim 15 and should now be allowable.

Reconsideration is respectfully requested of the objections to claims 4 and 17. Claim 4 has been amended to capitalize the acronym GPS and claim 17 has been amended to remove the period in the middle of the claim. The Examiner is respectfully thanked for pointing out these matters.

Reconsideration is respectfully requested of the rejection of claim 6 under 35 USC 112. The language of claim 6 has been clarified. The Examiner is respectfully thanked for pointing out these matters.

Reconsideration is respectfully requested of the rejection of claims 1 to 14 and 16 to 19 under 35 USC 103 over the art. Claim 1 includes the subject matter of allowable dependent claim 15. Claims 2 to 14 and 16 to 20 depend from now allowable claim 1. Thus these claims should also be allowable.

In view of the above, it is respectfully requested that the present amendment be entered, the claims be allowed, and the case passed to issue.

Respectfully,
